FUNDING NEWS

We're pleased to be able to share good news with you, as we have received a £1,330 grant from Arthur's Hill Ward Committee towards our Street Planter Work.

We would also like to thank the Greggs Foundation for awarding us a £1000 grant to run some activities for members in the New Year. We will keep you updated with our plans.

FUNDRAISING

Here is how you can help raise funds for the Time Exchange.

You can make donations via our Wonderful.org fundraising page and the Charities Aid Foundation.

We are also registered with EasyFundraising.org and smile.amazon.co.uk so that you can raise funds when you shop online.

WALKING FOR MEDICAL AID UPDATE

Congratulations to Rachel Richman for raising £3,276.44 of her £2,500 target!

Time Exchange member Rachel successfully trekked 100km in October to raise funds for Medical Aid for Palestinians (MAP).

Rachel said "It was an amazing experience. We visited clinics, schools and ate with local families. We were told about the political and economic situation and the history was amazing. There were Monasteries in the middle of nowhere, wild camels and Israeli army helicopters hovering over is in the dessert. This a beautiful place to visit and if you go with a group it is safe."

DO NOWT AND YOU GET NOWT!

Geoff Brown, 'The Local Bore, You can't Ignore,' writes: Shopping online can be so, so cosy can't it? However, we need to know the risks before we even begin and not join the so - called 'armchair shoppers,' who lost £58m last year. £11m of those sad losses came in the run up to Christmas alone!

So often, it's the vulnerable who suffer, as TV consumer guru, Martin Lewis, agreed. Before we even look at our desired items, we need to know we're safe!

Together with Norton Security and others I've put together a few safety tips. Before you begin, make sure the device you're using is safe, before ensuring you're using a so -called 'strong' password. Always use a credit card rather than a debit card and never ever, ever key in your PIN number! Make sure the shopping site, URL, begins with 'https, or the browser bar contains a locked padlock symbol or is green and ideally deal with companies you know and trust anyway!

Beware of fake websites, as there thousands of them out there, so called copycats. They look like those you may deal with regularly, so stay one step ahead!

Never use public computers and if you have to make sure all your data is encrypted, before quickly logging out. Make sure you 'log out' from any shopping site, without assuming you have because your transaction is complete.

We also need to make sure we become shopper 'savvy,' as we can even end up with unsafe or fake goods! Be careful when reading product reviews, don't put yourself at risk from so - called 'porch pirates,' who steal parcels even after they've arrived and as I covered earlier, keep your identity safe!

In summary, if in doubt about a product or site, sounding too good to be true, it probably is, so don't be tempted this Christmas and make sure you enjoy a healthy and happy one!

AN HOUR SHARED IS AN HOUR SPARED!

BLUE RECYCLING BIN UPDATE

You may be surprised by the amount of waste you can now recycle in your blue bin & caddy. Here are just some of the items you can now recycle:

- Aluminium Meat trays
- Bottle tops (metal and plastic)
- Cartons, e.g. chopped tomatoes, sauces, long life milk cartons (Tetra paks)
- Chewing Gum Tubs and Pots
- Chocolate Tubs (plastic)
- Envelopes - There is no need to remove the window film.
- Fruit punnets and tubs
- Jar lids - Leave jar lids on the jar and recycle in the glass caddy
- Margarine tubs
- Plastic Food trays, e.g. microwaveable food and supermarket vegetable packaging - **We cannot accept black trays**
- Plastic Milk containers - Tops should be left on, but the important thing is that the bottles are empty and dry
- Perfume and aftershave bottles - Glass aftershave and perfume bottles can be recycled in your black caddy for glass.
- Sweet tubs - Place plastic and metal sweet tubs with no wrappers in your blue recycling bin
- Tablet pots and tubs - tops should be left on, bottles should be empty
- Tin foil - Clean tin foil can be placed in your recycling bin. It is best to collect up all of the foil together in a ball so that it doesn't get lost in the recycling process.
- Wire coat hangers
- Yoghurt pots - These can be recycled along with the clear, plastic lid

SUPPORT AND EXCHANGES OVER THE HOLIDAYS

Please let us know if you would like to organise any exchanges over the Christmas holidays.

Although the Time Exchange will be closed over the festive season, we want to make sure that members can get help and support if they need it, particularly if the weather is bad. If you think you might be in need of help with shopping, a car lift, picking up a prescription, or just need somebody to talk to, then let us know and we can make sure you've got someone to contact.

If you'd be happy to be an emergency contact over the festive period, please get in touch and let us know.

A FOOL'S PHILSHOPHY

As we try our best to be 'eco - friendly,' we can all 'do our bit' to help, as unbelievably, as we enjoy our tea and coffee, we could be 'slurping' it from a solar powered kettle!
